cotton twitter

As the poet said: words like violence break the silence. Put your wit onto the COTTON TWITTER sweatshirt with a piece of chalk and walk the Earth spreading the word – your word. No internet connection necessary and unlimited selection of handcrafted fonts are available. You can always change a message by throwing COTTON TWITTER into the washing machine. That's what a personal tweet is all about. Writable text lasts until you clean it.

A bag that fits into your pocket, yet can carry way more. Your trustworthy featherlight carrier made from a robust synthetic paper. Water resistant, obviously.

Small: 33x41 cm
Big: 42x52 cm

Sizes

Ultra light: 90 / 115g.
Washable

Features

Bag - 100% "Tyvek" high density polyethylene
Straps - 100% polyester

Materials

reflective tote bag

A sturdy cotton bag with night sky inspired reflective design. Become a safety star each night and stay Milky Way all day.

Patented product

This tote bag works as your favourite regular during the days and doubles as a reflector after the sunset. A space inspired design covers one side of the bag while the other stays black. Sturdy cotton makes it ideal for your gallery catalogues as well as grocery items, while the inside pocket helps to keep all the small things in check. Safety geek fact: a tote bag is worn at the same height that car lights shine most intensely. This reflective tote bag will sparkle, twinkle and glitter like the Milky Way on any way.

oreflector

reflective badge

The reflector, which doesn't spoil your outfit. That's because you don't have to take it off every time you meet people.

Patented product
Designed by Martynas Kazimierėnas

Safety first. As well as style! Reflective badge "Oreflector" shines in the dark like a supernova, making you visible at night and looking great at sunrise. That's because you don't have to take it off. Wear "Oreflector" without ruining your outfit and without being run over.

The market doesn't offer safety reflectors, which are good looking and can be a fashion accessory. And then there is the human need to feel safe on the roads. Ideal for wearing yourself or giving as a present.

reflective sticker

night saver

new

Turn any object into a reflector! Sticking to a wide range of surfaces - reflective stickers will make almost any object stand out in the night.

Whether it is attached to a jacket, a bicycle, a helmet, a bag or a lamppost, reflective stickers will keep it visible at night. Made from quality materials, this sticker won't leave traces of glue and won't damage the surface. Unless you throw it in the washing machine the sticker will hold well into the future. So take a few and let your creativity guide you!

Features: waterproof, trace-free, multiple surface use:
textile, leather, metal, plastic, rubber
Size: 53 mm

swinging reflector

swinkle

new

A reflector that dangles, swings and wags – making you even more visible in the headlights!

The swinging reflector was created thinking with your looks during the day and your safety at night-time in mind. It looks great on a backpack, a coat, a bicycle, a baby stroller, a dog leash or wherever else you fancy to hooking it onto. This attachable reflector has one certain advantage – it moves and shakes together with you, creating even better visibility to drivers at night. And when your friends ask what it is, just say it's for a good look and good luck!

Features: certified EN13356:2001, soft touch, water-resistant
Size: 3 x 10 cm, Ø8 cm, rubber string 20 cm

reflective buttons

Replace your old buttons with new reflective ones. Why? They do 3 things at a time: hold your clothes together, reflect light at night thus keeping you safe and guarantee your looks to be WOW. So take a needle and add reflective buttons to your wardrobe.

Or ask mum!

last knot

tie-free elastic shoelaces

Stretchy shoelaces make
your footwear more comfy

+ allows to step in & out
without tying a knot.

Patented product
Designed by Martynas Kazimierenas & Vytautas Gečas

“Last knot” shoelaces means no more knot tying.

The elastic nature of our laces enables you to step in and out of shoes with the knot in place. That's a month of your life. Imagine having to lace your shoes all that time instead of getting foot massages while listening to a Peruvian flute band? We do.

“Last knot” shoelaces make any shoe a more comfortable shoe.

Stretchy laces reduce pressure points and enable you to move around more freely. We bet you'll even forget you're wearing shoes.

bird BnB

birdhouse

“Bird BnB” is an easy to assemble, fold-out birdhouse – just pull the ropes and voila! A mixture of plastic and wood makes it a perfect match between large cities and small birds.

Patented product

Hey, bird. Looking for a place to stay? „Bird BnB” is a fold-out birdhouse for a city, just pull the ropes and voila! Place it on a house wall, tree, or balcony – „Bird BnB” location is always central, not far from main attractions, like trash bins and farmers market.

„Bird BnB” is designed for smaller birds (sorry pigeons) and has large wooden roof terrace you can hang out with other feathered friends. Inside you will find everything you need, like a rope to chill on. „Bird BnB” comes with full breakfast, whatever your human neighbour is having that morning: granola, croissant or nachos. So stay as long as you want, but remember – no loud twittering after midnight.

Easy and quick assembly - no tools necessary
Designed for small garden birds
Complies with birdhouse requirements for garden birds
